

Family Church Camp 2006

31st May – 3rd June Tiara Beach Resort, PD

All in God's Family!

We are the Wo-men!

We are the angels! Cool...men!

With much anticipation and excitement in this Family Camp, over 200 members went to this well equipped-facility resort in Port Dickson. We had some wonderful times of fellowship during meals and games. Especially during the special talentime night where we had the "Battle of the Sexes" the Valentines (girls in red) against the Macho men (in white). Each group came up with fantastic creative ideas trying to out-beat one another. The presentations were so fun that they have brought so much joy and laughter to each of us.

We were also very blessed by the messages delivered by Rev. Frankie Khoo. As the Holy Spirit moved, many lives have been touched, refreshed, renewed and ministered by his prophetic prayer over them. Even the children were filled with the Holy Spirit.
