

Alpha Course

First time transacted in the Cantonese service
- 23 September to 1 December 2006

According to Alpha International Website, over 8 million people have attended the Alpha course over thousands of churches of different denominations across the world.

This course is low-key, friendly and fun. It provides an opportunity to explore the meaning of life, for anyone to explore the Christian faith in a relaxed setting over ten thought-provoking weekly sessions, with a day or weekend away.

Praise the Lord! We have 94 people registered for this course, with an average of 80 turn up for each week. And we have a total of about 40 new friends who came for this course. Out of this 40, we have 6 accepted Jesus as their Savior, and 3 of them will be baptized on 24th Dec 2006.
