

Evergreen *Senior Fellowship*

First AG church is one of the oldest church in Malaysia. Over the years many members, some in their 4th generations are faithfully attending our church.

All these years we don't have a ministry to care for our senior members. So, in November 2002 Senior Fellowship was formed (now known as Evergreen Fellowship). The idea was initiated by Ps Ong who sensed there is a growing need of such a ministry for our Cantonese Service which incidentally having a higher percentage of senior members.

Our first assignment was a trip to Kukup, Johor on 6th- 7th Dec 2002. The respond was overwhelming with 60 members including a few non members participating. The trip was a tremendous success which spurred me and my fellow committee members to work even harder to serve in this ministry. Subsequently we have organised one day trips to Banting/ Morib, Bukit Tinggi/ Bentong and Ipoh (2 day/ 1 night stay) between 2003 to 2005. We also organised a luncheon at MPV restaurant, Taman Bahtera, Cheras on Parents Day, 2004. We emphasis on fellowship on all our outings.

Praise The Lord!! For He has blessed all our trips. I take this opportunity to thank Ps Ong for his far sightedness and also to all my committee members both past and present who have committed their time in serving in this ministry.

To all our church members, please uphold our Evergreen Senior Fellowship ministry in your prayers and we trust the Lord to guide us in our future destinations. To God Be the Glory .
